Note:

Partner Airlines Checked Baggage Allowance: Check your ticketed allowance at [Manage Booking](#). Different baggage allowances may apply each time you check-in baggage. If you check-in baggage for a multiple sector journey, usually the baggage allowance of the [most significant carrier](#) in your itinerary will apply. However, different rules may apply to tickets [to and from North and South America](#).

Disclaimers:

On Dash-8 services, no single piece can weigh more than 32kg and bags weighing more than 23kg per passenger are subject to space availability.

Child Checked Baggage Allowance:

For each child travelling with an adult, 1 car seat and 1 collapsible stroller or push chair, each weighing up to 32 kg, can be carried free of charge. Charges will apply for any baggage carried in addition to the checked baggage allowance and additional items. The additional allowances apply only on Qantas operated flights with a QF flight number on the ticket.

Infant Checked Baggage Allowance:

For each infant travelling with an adult, up to 3 infant items on QF or 4 infant items on JQ, each weighing up to 32kg, can be carried free of charge including:

- Collapsible stroller or push-chair;
- Collapsible cot or bassinet; and
- Car seat or baby capsule.

The additional allowances apply only on Qantas operated flights with a QF flight number on the ticket or Jetstar operated flights with a JQ flight number on the ticket.

Important Information**Dimensions:****International Flights (excluding North and South America):**

Total dimensions for each piece must not exceed 158cm (62in). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage.

International Flights to and from North & South America:

Total dimensions of the 3 pieces must not exceed 405cm (159in) and total dimensions of the 2 pieces must not exceed 270cm (106in) with no single piece exceeding 158cm (62in). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage.

Domestic Flights:

Total dimensions of each piece must not exceed 140cm (55in). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage.

+Adults travelling with an infant (under 2 years) on Qantas operated services may check-in up to three infant items free of charge. See [here](#) for more details.

Interline travel: Qantas baggage allowance may not apply. If your travel on this ticket involves more than one airline, the baggage allowance of the most significant carrier in your itinerary will apply to each journey, except in relation to travel to, from or within the USA. Under US DOT regulations, if your travel to, from or within the USA involves more than one airline, the baggage rules of one airline will apply to all of the flights in your itinerary. This is determined by the first carrier in your itinerary. For travel between Australia and the USA, usually (but not always) Qantas' baggage allowance will apply to the whole itinerary.

Member Allowances: Qantas Frequent Flyer and Qantas Club member baggage allowances apply to travel on Qantas and QantasLink operated flights with a QF flight number on your ticket, excluding flights to or from Lord Howe Island and Mount Hotham. These allowances also apply to Emirates operated flights with an EK flight number between and within Europe, the Middle East, North Africa, Asia and Australia. These benefits are not cumulative.

Definitions: Domestic travel is travel that is not combined with any international flights on the same ticket. International travel is travel between two or more countries including any flight within those countries if it is combined with the international travel.

General: No single item of checked baggage may exceed 32kg (70lb). Carriage of baggage is subject to space availability and any applicable aircraft weight restrictions, which vary. Baggage exceeding the specified allowance may need to be accommodated on a later flight.

Visit qantas.com/baggage or the "Planning & Booking - Baggage" page of jetstar.com for important information regarding baggage restrictions. For additional and excess baggage rates visit qantas.com/additionalbaggage or jetstar.com.

Enhanced Security Screening - Powders, Liquids, aerosols and gels

Enhanced security measures apply to and from Australia and on domestic sectors of international flights within Australia. Similar or more restrictive measures may apply for other countries. If you want to take powders, liquids, aerosols or gels through the screening point, make sure:

- each item is 100ml or less;
- all items fit comfortably in a transparent resealable 1 litre plastic bag (only 1 bag per person is allowed)

Exceptions: Prescription and non-prescription medicines and baby products that you need for the flight, but please note:

- proof of need may be required, and
- additional security checks may be performed
- All powders must be screened separately with restrictions on the carriage of inorganic powders over 350 millilitres (350 grams)

Note - Duty Free items: Duty free liquids, aerosols and gels not exceeding 100ml per item may be taken onboard in your transparent resealable 1 litre plastic bag. Government screening requirements vary between countries around the world, and duty free liquids, aerosols and gels which exceed 100ml may not always be permitted through a screening point at all airports on your journey. If your journey includes a flight with a transit stop or a transfer to an onward connecting flight, you may be required to take these items through the transit or transfer screening points where you may be required to surrender the item, and it will not be returned to you.

Qantas recommends that you visit [TravelSecure](#) for more information.

Carriage on Qantas or QantasLink is subject to our full Conditions of Carriage at qantas.com/carriage.

Some key conditions:

Travel or Health Documents: You are responsible for complying with any immigration policies, travel and health documentation requirements, government quarantine restrictions or conditions (including length of stay) that apply to your travel.

Your contact details (for example, destination accommodation arrangements), and your fingerprints and/or photograph may be required before entry into a foreign country.

Check-in: Deadlines apply and you may be refused carriage if you are late. View Qantas' check-in times at qantas.com/checkintimes.

Oversale - Denied Boarding: If you are denied boarding because your carrier has oversold an international flight on which you are booked, you may be entitled to compensation in accordance with applicable regulations (for example, in the EU or USA), or carrier's policy. When required by applicable law or regulation, the carrier must solicit volunteers before anyone is denied boarding involuntarily. For Qantas' policy - ask at our international check-in counters.

Insurance: Travel insurance is recommended.

Advice to International Passengers on Limitations of Liability: Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Approximate conversions of Special Drawing Rights (SDRs) are provided as a guide only and will be subject to change with currency conversion rates.

International	Warsaw (limits are per person)	Montreal (limits are per person)
Death and bodily injury	Qantas has waived its liability limits	No financial limit
Checked baggage	250 francs/kg (approx. A\$30/US\$25)	Special Drawing Rights (SDRs) 1,131 SDRs (approx AU\$1,950/US\$1,800)
Carry-on baggage (carrier fault)	5,000 francs max. (approx. A\$500/US\$400)	

Delay: For damage occasioned by delay to your journey, where the Montreal Convention applies, the limit of liability is 4,694 SDRs (approx AU\$8,160/US\$7,500) per passenger in most cases. Where the Warsaw Convention applies, the carrier may be liable for damage occasioned by delay, subject to the Convention limit.

Defences: The Conventions provide certain defences to liability on which we may rely in some circumstances. For further information read the Liability section at qantas.com/carriage.

Domestic (no international sectors on itinerary)	Australia (limits are per person)	New Zealand (limits are per person)
Death and bodily injury	A\$725,000	Refer to ^

Delay	Your rights are limited by Qantas' Conditions of Carriage subject, in New Zealand, to rights under the Civil Aviation Act 1990.	

^Claims in New Zealand courts for damages arising directly or indirectly out of bodily injury or death of a passenger may be barred in accordance with the Injury Prevention, Rehabilitation, and Compensation Act (NZ) 2001 and we are not liable for loss or damage to carry-on baggage subject to your rights under the Consumer Guarantees Act 1993.

Baggage General: Comply with your carrier's baggage allowances and do not include fragile or perishable articles, precious metals, jewellery, money, rare items, business papers or other important documents or valuables (including cameras and electronic equipment) in your checked baggage. For Qantas' baggage allowances visit qantas.com/baggage.

Delays and Cancellation: If travelling on Qantas, we will use all reasonable efforts to depart on time, but we do not guarantee flight times. If your flight is delayed or cancelled, you may in some circumstances be entitled to assistance and/or compensation depending on your journey and applicable law.

Seating: Qantas does not guarantee you any particular seat even if your reservation is confirmed.

Specific Assistance: Qantas requires advance notice for some accommodations that passengers with disabilities may need, and passengers with disabilities may need to check in earlier than other passengers. For details, visit qantas.com/fitness.

Taxes, Fees and Carrier Charges: The charges, surcharges and taxes included in your fare or shown separately on your ticket may not be levied by a government authority but may be airport operator or carrier imposed. Details can be provided by your travel consultant.

Other Carriers/Non-Airline Transport: Except where you are travelling on a "QF" code, if Qantas issues a ticket or itinerary/receipt or checks baggage for carriage on another carrier, it does so only as agent for the other carrier and their conditions of carriage will apply to those services. The air carrier's conditions of carriage do not apply to any non-airline travel included in your booking. The operator's conditions of carriage may significantly limit or exclude liability. Ask your travel consultant for details.

Time Limit for Action: Any action in court to claim damages relating to your carriage must be brought within two years from the date of arrival of the aircraft or from the date on which the aircraft ought to have arrived.

Baggage Claims: There are time limits within which a claim must be made in writing to your carrier in circumstances of loss, damage or delay of your baggage. Some limits are as short as three days. Check with your carrier's Baggage Claims.
